We recently decided to sell our vacation home in Beesport. We listed it with Norm Lacey at Dune County Realty. From the very first day, Norm was diligent in his efforts to sell our property. He kept us informed of his progress. In a short time we received a satisfactory offer. Norm carefully guided us through the inspection and sales process. This was especially helpful since we live out of state. We were very satisfied with his handling of the entire procedure. We highly recommend Norm.

Thanks for a job well done.
