

The Furman and Akre families have been thoroughly impressed with Norm Lacey and his ability to make our house sale a positive experience. Norm's willingness to listen, to help us through issues that occurred, and to encourage us every step of the way made this experience easy to navigate. His was not a high pressure salesmanship but an efficient and professional approach. Norm is an excellent communicator, keeping us informed of activity on our property as well as the other properties for sale in the Reedsport area. We would highly recommend Norm Lacey's services in all real estate endeavors.
