

TESTIMONIAL:

We would like to express our sincerest appreciation to Norm Lacey of Pacific West Realty for his commitment to selling our coastal home in a challenging market. Norm is a pro-active professional who excels at both standard and on-line marketing. In addition, he always made the effort to stay in contact with us by phone or email on a regular basis. He is easy to talk to, and we now consider him a friend as well as our real estate agent of choice. We would highly recommend him to anyone who wants to purchase or sell real estate on the southern Oregon coast.
